

INVITATION FOR FUN

Plan a smile-maker activity

Materials: Worksheets, invitation templates, pencils, markers, crayons, stickers, glitter, glue, scissors

Directions: Read the worksheet, complete the activity and discuss with the Group.

What is a smile? Have you ever thought about it?

Probably not. Our smiles happen naturally, when we're happy and excited, and believe something wonderful is about to happen.

It is! Your special person is coming home!

For this happy and exciting time, let's plan a special activity. Something fun that will put a smile on both your face and your special person's face.

STEP ONE

Think about places and things to do in your neighborhood that are smile-makers. In other words, fun places and things you enjoy! Raise your hand if you have a suggestion and we'll write all the ideas on our worksheets.

STEP TWO

Using the template, we're going to make an invitation for our special person. Decorate your invitation however you like using the materials available. Cut the invitation out on the dotted lines.

STEP THREE

When you go home, ask your parent which of the activities on the worksheet you can do with your special person. When you decide on the activity, fill in the lines on your invitation.

When your special person arrives home, hand them the invitation. And just like that, you're a smile-maker!

PLACES AND THINGS I ENJOY

A large rectangular box with a solid border and horizontal dotted lines inside, intended for writing down places and things enjoyed.

SMILE-MAKER INVITATION
